**Textbook: Honor's Reward by
John Bevere**

The most important thing about ministry is the heart we minister from. We want to become ministers who will minister with a heart of honor, humility, and love.

This may be one of the most challenging books you have ever read. When I read it in 2008, I was cut to heart. But it truly changed my life.

One of the main reasons people are promoted in ministry is HONOR. I've also seen how DISHONOR will keep someone from the ministry God has called them to.

Can't wait to get heart surgery with you by the Holy Spirit!
